Expertise with Employee Benefit Plan Audits

CST Group's comprehensive employee benefit plan audits are based on a thorough analysis of plan details, industry conditions, and audit requirements.

CST Group understands that managing employee benefit plans can be stressful. Our goal is to provide a streamlined, efficient audit experience that will ensure compliance and help your business instill best practices in your ongoing plan management processes.

Our employee benefit plan auditors have extensive technical specialization and knowledge, so you can be sure your organization's annual retirement plan audit is compliant with the appropriate Department of Labor reporting and disclosure requirements. At CST Group, we're dedicated to providing a high level of efficiency, reliability and quality throughout our audit engagements.

As active members of the American Institute of Certified Public Accountants' (AICPA) Employee Benefit Plan Audit Quality Center (EBPAQC), we are committed to adhering to the Internal Revenue Service and Department of Labor's changing professional standards and regulations.

We offer the following through our employee benefit plan audit services:

- A dedicated team of employee benefit plan audit professionals
- Strong technical knowledge of GAAP, GAAS, ERISA and DOL requirements
- Continuity of professionals from year-to-year to enhance efficiencies
- Significant and up-to-date knowledge of regulatory requirements
- Integration and communication with your third-party plan administrator
