“We have been a customer of CST Group’s for three years, and I have been very satisfied with their services. We continue to benefit from our relationship with CST Group because of how well they know our business. I don’t have to explain it year after year. A recent example of this is that we did a Quickbooks review this year, and they remembered what we’d talked about last year. It’s that type of service and consistency that I rely on.”
